

Direct Deposit Enrollment Form

To enroll in direct deposit, fill out this form, sign and return it to Waveland; attn: Jessica Pipho. Attach a voided check for your checking account – not a deposit slip. If depositing to a savings account, ask your bank to give you the Routing/Transit Number for your account. It isn't always the same number as the number on a savings deposit slip. This will help ensure that your distributions are posted correctly.

Below is a sample check MICR line, detailing where the information necessary to complete this form is found.

Important! Please read before signing and submitting.

I hereby authorize Waveland, either directly or through its processing service provider, to deposit any amounts owed me by initiating credit entries to my account at the financial institution (hereinafter "Bank") indicated on this form. Further, I authorize Bank to accept and to credit any credit entries indicated by Waveland, either directly or through its processing service provider, to my account. If necessary, Waveland, either directly or through its processing service provider, may make corrections for any payments credited to my account in error (not to exceed the original amount of the erroneous credit).

This authorization is to remain in full force and effect until Waveland and Bank have received written notice from me of its termination in such time and in such manner as to afford Waveland and Bank reasonable opportunity to act on it.
